Re: Annual Review of Base Rates for Fuel Costs for South Carolina Electric and Gas Company
Docket No. 2007-2-E

Dear Mr. Terreni:

It has been discovered that errors occurred in Audit Exhibit JRC-1 attached to the direct testimony of Ms. Jacqueline R. Cherry. The gas cost for April 2006 was erroneously entered as \$3,661,096 instead of the correct number of \$6,222,376 and the gas cost for July 2006 was erroneously entered as \$86,814,600 instead of the correct number of \$26,814,600. These corrections do not affect the settlement agreement entered into by the parties in this matter. Please accept my apologies that these errors were not discovered earlier.

I have enclosed the original and fifteen copies of Revised JRC-1 in the above referenced docket reflecting the correction and new totals and weighted average.

Please note that the attached documents are exact duplicates, with the exception of the form of the signature, of the e-filed copy submitted to the Commission in accordance with its electronic filing instructions.

By copy of this letter we are also serving all other parties of record. Please let me know if you have any questions.

Sincerely,

/s/ Shannon Bowyer Hudson
